Re: patent application no. 10/820,956

Dear Sir/Madam:

The patent application cited above has been amended in accordance with your office action of 3/13/2006. All required changes have been carried out. The enclosure contains all twenty-four claims that are noted as either original, amended or withdrawn. Changes to the amended claims are noted by underlining the additions and by a horizontal slash through the deletions.

Sincerely yours,

Michael McBrearty
